(2) A licensee must not require or accept payment of

- (a) a registration fee in respect of a prospective student until that person has signed a student contract, or
- (b) a tuition fee in respect of a prospective student before that person's vocational training begins.

(2.1) Despite subsection (2)(b), a licensee may accept a tuition fee in respect of a prospective student before that person's vocational training begins if the fee is paid by a third party approved by the Director.

(3) A licensee who receives a registration fee must credit the fee to unpaid tuition if the student commences the vocational training.

Cooling off period

15 Notwithstanding anything in this Regulation, if a student terminates a student contract on or before the 4th business day after signing the contract, the licensee must refund any tuition or other fee paid by or on behalf of the student.

Refund of registration fee - before training begins

16(1) If a student terminates a student contract before the vocational training begins, the licensee is entitled to any registration fee paid by or on behalf of the student.

(2) The licensee must refund any registration fee that has been paid by or on behalf of the student if

- (a) a licensee terminates a student contract before the vocational training begins, or
- (b) the vocational training does not begin on the commencement date set out in the student contract.

Refund of tuition - after training begins

17(1) If a student contract is terminated after the vocational training begins, the licensee is entitled to the following amounts of tuition:

- (a) when 10% or less of the vocational training has been provided, 25% of the tuition;

- (a) there are student contracts for the vocational training that have not been terminated, or
- (b) all student contracts for the vocational training have been terminated but one or more of the contracts were, in the Director's opinion, terminated by the licensee so that the licensee would not be required to provide the vocational training.

- (a) the licensee must refund all tuition that has been paid in respect of the vocational training, and

(5) This section does not require the refund of tuition in respect of a student whose student contract is terminated

- (a) by the student before the licensee abandons the provision of vocational training, or
- (b) by the licensee before the licensee abandons the provision of vocational training where the termination was made because the student was expelled or for non-payment of fees.

Payment of refunds

21(1) Subject to subsection (2), a refund of a student's tuition must be paid

- (a) to the student, or

(b) in the case of a student who has an outstanding student loan in respect of the vocational training for which the refund is being provided, to the lender that made the student loan.

(2) If a licensee receives payment of a student's tuition from a government, agency or person other than the student, any refund of the student's tuition must be paid to the government, agency or other person.
